

**SPECIFIC FACILITIES PROVIDED FOR WOMEN**

**a. Safety and Security :**

The college has established a women cell in the College campus to empower girl students, to enhance understanding of issues related to women and to make the college campus a safe place for girl's students with a view of taking up women's issues and problem. The cell aim is creating awareness about their rights and duties.

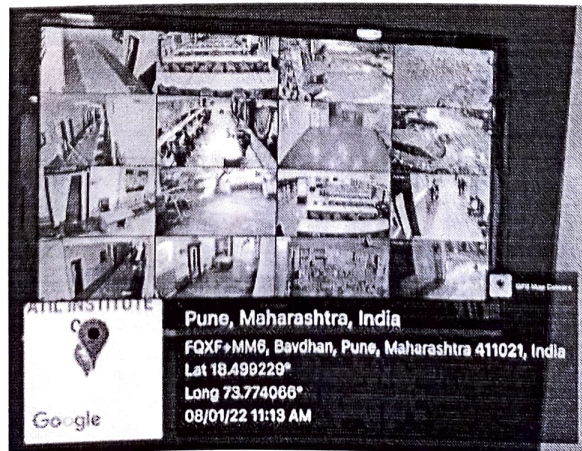

**Woman cell Committee**

**b. Hostel :**

A Hostel facility for 165 girls is made available inside the campus. The security of students is ensured by the college management.

**c. Installation of CCTV Camera :**

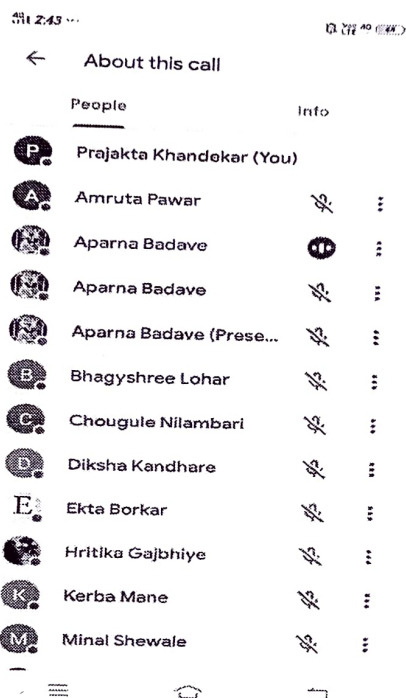

Sufficient number of CCTV cameras has been installed to guard every corner of the college campus. The control of the camera remains in the control of Principal of the College.

**Visuals of CCTV camera footage**

**d. Webinar on Woman Safety & Respect :**

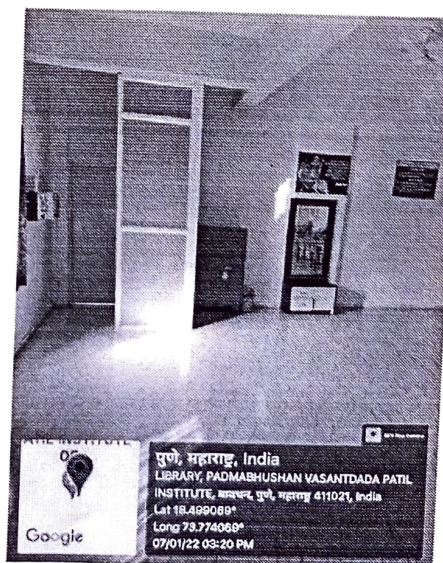

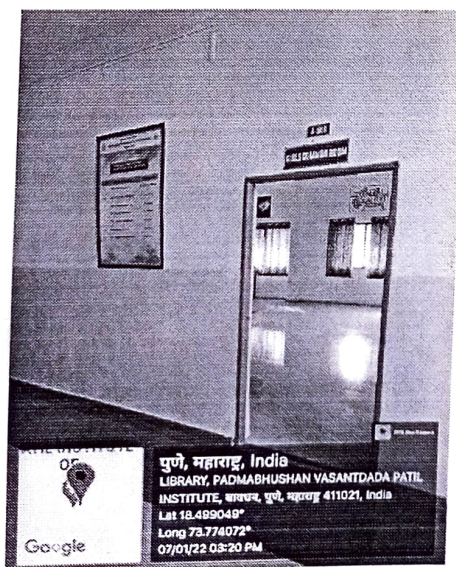

A Webinar on Woman Safety & Respect was conducted by the Women Cell and Dr. Mrs. Shraddha Pathak remains the guest of the program. The program is conducted with the aim to create awareness among the women, about how they can protect themselves using various common things while they are in any trouble situation using simple steps.

**27 Students attended the webinar on Woman Safety & Respect**

**e. Common Room :**

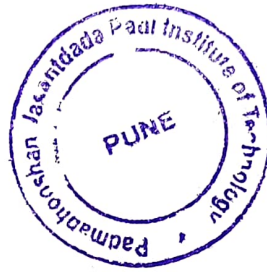

College has one common room for girls with facilities of washroom, restroom.
