Activity Report On GATE Exam Awareness Session

The GATE Exam Awareness Session was conducted on 3rd August ,2022 at Seminar Hall of PVPIT. This program is organized with aim of providing participants a comprehensive understanding of the Graduate Aptitude Test in Engineering (GATE) examination.

The session covered key aspects such as the significance of GATE in higher education and employment, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including M.Tech admissions and PSU recruitments.

A guest speaker Prof.Amar Kalyane from Ace Academy shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding of GATE and its potential benefits for participants. Total 70 student from PVPIT of branch Civil, Mechanical were guided by this program.

Activity Report On

Scope of mechanical engineering in government sector

Interactive Session on Scope of mechanical engineering in government sector was conducted on 15th January,2023 at Seminar Hall of PVPIT. This program is organized with aim of providing participants a comprehensive understanding of the scope in government sector.

The session covered key aspects such as the significance in employment, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including M.Tech admissions and PSU recruitments.

Overall, the session successfully delivered valuable information, fostering a better understanding and its potential benefits for participants. The name of expert faculty is Ganesh Jadhav who is having more than 15 years of experience. Total 143 student from PVPIT of branch Mechanical class were guided by this program.

Report On How to Crack IAS Exam

The IAS Exam Awareness Session was conducted on 3rd March ,2023 at Seminar Hall of PVPIT. This program is organized with aim of providing participants a comprehensive understanding of the examination.

The session covered key aspects such as the significance of IAS in higher education and employment, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities.

A guest speaker Prof. Sadshiv Deshpande from KOTA IAS Academy shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding and its potential benefits for participants. Total 139 student from PVPIT of branch Civil , Mechanical were guided by this program.

NOTICE

We are pleased to inform all the final year computer engineering students of PVPIT college about organization of expert talk on Challenges in market for IT companies and how to cope situation in coming time. so all student are informed to compulsorily attend .This lecture will entirely focus on how to improve our skill for getting jon in IT sector.

The details of this expert talk is as given below.Attendance is monitored strictly.

Date : 12 September,2022

Time: 9.00 am to 12.00 pm

Venue : VC Hall, PVPIT Bavdhan.

Activity Report on
Challenges in market for IT companies

As a part of academic activity and creating awareness about IT sector in student, Computer department have organized guest lecture on topic Challenges in market for IT companies and how to cope situation in coming time. This guest lecture were arranged in computer department seminar hall.Total 167 student from computer, electronics, mechanical branch presented for this lecture.

Following is brief report of this program.

Date :12 September,2022

Name of Speaker : Prof.Amit Kumar

Organisation : Vit,Pune

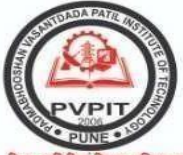

Introduction:

The guest lecture on "Challenges in the IT Sector" held at PVPIT College provided an insightful exploration of the hurdles faced by the Information Technology industry and strategies to overcome them.

Key Highlights:

Talent Shortage and Solutions:

The speaker addressed the critical issue of talent shortage in the IT industry.Practical solutionswere discussed, including the importance of upskilling.

a.

Adapting to Technological Advancements:

The session focused on the fast-paced evolution of technology and its implications for IT professionals. Students gained insights into fostering a culture of innovation, staying updated with emerging technologies, and The students actively participated in the Q&A session, showcasing their eagerness to delve deeper into the subject matter.

Conclusion:

The guest lecture at PVPIT College proved to be a valuable learning experience, offering students a comprehensive understanding of the challenges prevailing in the IT sector and equipping them with strategic insights to navigate the dynamic landscape.

Activity Report on
Skill enhancement for IT sector for job opportunity

As a part of academic activity and creating awareness about IT sector in student, Computer department have organized guest lecture on topic Skill enhancement for IT sector for job opportunity .This guest lecture were arranged in computer department seminar hall. Total 90 student from compuer, electronics,mechanical branch presented for this lecture.

Introduction:

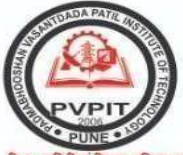

The guest lecture on " Skill enhancement for IT sector for job opportunity " held at PVPIT College provided an insightful exploration of the hurdles faced by the Information Technology industry and strategies to overcome them.

Key Highlights:

Talent Shortage and Solutions:

The speaker addressed the critical issue of talent shortage in the IT industry. Practical solutions were discussed, including the importance of upskilling, creating a diverse workforce, and embracing remote work options to access a broader talentpool.

Adapting to Technological Advancements:

The session focused on the fast-paced evolution of technology and its implications for IT professionals. Students gained insights into fostering a culture of innovation, staying updated with emerging technologies, and The students actively participated in the Q&A session, showcasing their eagerness to delve deeper into the subject matter.

Conclusion:

The guest lecture at PVPIT College proved to be a valuable learning experience, offering students a comprehensive understanding of the challenges prevailing in the IT sector and equipping them with strategic insights to navigate the dynamic landscape.

Activity Report on

Guest Lecture on Strategies for Success in Competitive Exams

A guest lecture is organized by PVPIT college of engineering on success strategy for competitive exam by department of civil and mechanical engineering. The program is conducted on 20th December, 2021 at VC Hall of PVPIT. This program is organized with aim of providing exposure about IAS examination .

The session covered key aspects such as the significance of IAS exam, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including PSU recruitments.

A guest speaker Prof. Bajarang Tashildar from Chanakya Mandal Pariwar shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding of GATE and its potential benefits for participants. Total 150 student from PVPIT of branch Civil, Mechanical, Computer and E & TC Branch were guided by this program.The vote of thanks shared by Prof.AshishWaghamare sir .

A report on

Enhancing soft skill required to get job in industry.

As a part of improving skill to the student PVPIT always taken corrective steps to imbibe new skills in student through various lecture and training session. The training department of PVPIT have conducted a program for the student of computer,electronics and mechanical who are very much interested to get good job opportunity in market.

The interactive session of enhancing soft skills to grab good job opportunity in industry were successfully completed on 5th February, 2022 under the guidance of eminent speaker Prof. Onkar Namjoshi and currently he is working at Nashik location.

Overall session was interactive and speaker given useful tips, study techniques and important fact about examination in details. The vote of thanks to speaker is given by Prof. Bagal sir from computer Engineering department. Total student benefitted by this particular event is about 50. Definitely this kind of session will be helpful for the student to uplift their skill and level of confidence.

A report on

Guest Lecture on awareness of UPSC exam

A guest lecture was organized by PVPIT college of engineering on UPSC exam awareness by department of civil and mechanical engineering. The program is conducted on 15th december, 2020 in online platform. This program is organized with aim of providing exposure about UPSC examination.

The session covered key aspects such as the significance of UPSC exam, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including PSU recruitments.

A guest speaker Prof. Gurucharan Sodi from Aspirant UPSC Academy, Mumbai shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding exam and its potential benefits for participants. Total 278 student from PVPIT of branch Civil, Mechanical, Computer and E & TC Branch were guided by this program.

A report on

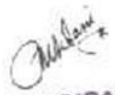

Guest Lecture on preparation of GATE exam

A guest lecture was organized by PVPIT college of engineering on GATE exam awareness by department of civil and mechanical engineering. The program is conducted on 18th January, 2021 in online platform. This program is organized with aim of providing exposure about GATE examination preparation .

The session covered key aspects such as the significance of exam, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including PSU recruitments.

A guest speaker Prof. Vidyabharati Pande from Unique GATE/ UPSC Academy, Pune shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding exam and its potential benefits for participants. Total 258 student from PVPIT of branch Civil, Mechanical, Computer and E & TC Branch were guided by this program in online platform.

A report on
A session on Up skilling for industry requirement.

The interactive session on up skilling skill required to get job in industry is conducted by mechanical department of PVPIT on 5/2/2021. The session was held in online on google meet by mechanical department. This session is open to all department of college.

The session covered key aspects such as the significance of skill enhancement, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including PSU recruitments.

A guest speaker Prof. Amrish Tripathi from Igegenious consultant ,Pune shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding exam and its potential benefits for participants. Total 268 student from PVPIT of branch Civil, Mechanical, Computer and E & TC Branch were guided by this program.

The vote of thanks shared by Prof. Prasad Rewane sir of civil department . Overall program is conducted upto the mark and student satisfied with guest performance.

Report on

Competitive Exam Preparation Session

The competitive exam preparation like UPSC Exam ,IAS, IPS Session was conducted on 23/08/2019 at conference Hall of PVPIT. This program is organized with aim of providing participants understanding of the UPSC examination.

The session covered key aspects such as the significance of UPSC exam in higher education and employment, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including M.Tech admissions and PSU recruitments.

A guest speaker Prof. Kiran Ghorpade from Dice MPSC & UPSC Academy shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding and its potential benefits for participants. Total 168 student from PVPIT were guided by this program.

Report on
Competitive Exam Preparation Session

This session on strategy for competitive exam preparation was conducted on 20/09/2019 at conference Hall of PVPIT. This program is organized with aim of providing participants understanding of the UPSC examination.

The session covered key aspects such as the significance of UPSC exam in higher education and employment, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including M.Tech admissions and PSU recruitments.

A guest speaker Prof. Kiran Mane from Impulse MPSC & UPSC Academy shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding and its potential benefits for participants. Total 165 student from PVPIT were guided by this program.

Report on
Competitive Exam Preparation Session

The session on awareness of competitive exam and preparation was conducted on 25/02/2020 at conference Hall of PVPIT. This program is organized with aim of providing participants understanding of the nature of competitive exam.

The session covered key aspects such as the significance of UPSC exam in higher education and employment, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including M.Tech admissions and PSU recruitments.

A guest speaker Prof. Aditya Wagmare shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding and its potential benefits for participants. Total 170 student from PVPIT were guided by this program.

Report on Career Counselling Session

With the aim of providing job placement for final year student ,training and placement department conducted interactive and output oriented program on career counseling and different opportunity on 18/02/2020. The program was held in conference hall of PVPIT library. Total 176 student of final year and third year were participated in program of all branches.

The main focus of this session was to fix the goal of student and how to prepare ourselves to achieve this particular goal.

A guest speaker Prof. Ganesh Desai from Neilsoft Technology,pune shared experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding and its potential benefits for participants.

The vote of thanks is given by Rahul undegaonkar who worked as TPO of PVPIT. The overall session was interactive and student enthusiastically participated in every activity held in session.

Activity Report on
Competitive examination and career guidance.

The session on competitive examination and motivating student for job opportunity was conducted on 20th August , 2018 at VC Hall of PVPIT. This program is organized with aim of providing participants understanding of the UPSC examination.

The session covered key aspects such as the significance of UPSC exam in higher education and employment, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including M.Tech admissions and PSU recruitments. A guest speaker Prof. Onkar Joshi from Rankers Academy, Amravati shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better

Activity Report on
Strategy for preparation of UPSC examination

The session on Strategy for preparation of UPSC examination was conducted on 11th March,2019 at VC Hall of PVPIT. This program is organized with aim of providing participants understanding of the UPSC examination.

The session covered key aspects such as the significance of UPSC exam in higher education and employment, eligibility criteria, exam pattern and preparation strategies. Participants received insights into choosing the right discipline, the application process, and post-exam opportunities, including M.Tech admissions and PSU recruitments.

A guest speaker Prof. Gunratna Sadavarte from Eklavya Academy for competitive examination shared personal experiences and tips, enriching the session with practical insights. Overall, the session successfully delivered valuable information, fostering a better understanding and its potential benefits for participants. Total 150 student from PVPIT were guided by this program.
